# ABOUT THE WINEMAG.CO.ZA TASTING PROGRAMME 2020

Winemag.co.za has produced 14 category reports sponsored by multinational financial service company Prescient over the course of the year. Each report was based on the outcome of a blind tasting of wines entered within the specific category.

A Top 10 was announced with the release of each successive report. Producers of the Top 10 were able to purchase Top 10 stickers while producers of the remaining wines were able to acquire regular rating stickers – consumers are encouraged to look out for these in the retail environment.

The programme culminates with the announcement in early-December of the individual best wine per category plus ratings on the 100-point quality scale for all the Top 10 wines.

## JUDGING PROCEDURES

The judging panel was chaired by me and further consisted of two trusted colleagues, namely Roland Peens and James Pietersen, both of Wine Cellar, Cape Town merchants and cellarers of fine wine. We tasted blind, ratings done according to the 100-point system. Final scores were awarded on the basis of discussion that involved retasting where necessary rather than relying solely on arithmetic averaging.

*Christian Eedes,  
Editor, Winemag.co.za*

# INTRODUCTION

The focus of the Minority Report (previously the Alternative Varieties Report) is on wines from varieties whose respective total plantings do not exceed 2 000ha. South Africa's nine most widely planted varieties (Chenin Blanc, Colombar, Cabernet Sauvignon, Sauvignon Blanc, Shiraz, Chardonnay, Pinotage, Merlot and Ruby Cabernet in that order) all have plantings of over 2 000ha and together makeup 84% of the national vineyard – this is a chance for the more subordinate varieties to shine!

# KEY FINDINGS

For this year's report sponsored by multinational financial services company Prescient, there were 55 white wine entries and 60 red wine entries received, with 28 (or 51%) of the whites rating 90-plus on the 100-point quality scale and 27 (or 45%) of the reds.

As in previous years of this tasting, Semillon was the stand-out category among the white wines with eight examples in the Top 10 and a further two rating 90-plus. This variety seems to do well wherever it is planted with wines from Bot River, Elgin, Franschhoek, Stellenbosch, Sondagskloof and Walker Bay all scoring high.

Among the reds, there was a more diverse assortment of varieties in the Top 10 with three examples each of Cabernet Franc and Cinsault plus one each of Grenache, Mourvèdre, Tempranillo and Touriga Nacional.

Some general comments about some of the bigger categories. Single-variety Viognier comes to market offering seductive perfume and body and while this may make it appealing to some consumers, this very obviousness makes it difficult to reward critically. The other two Rhône varieties of Grenache Blanc and Roussanne, meanwhile, seem to make more balanced wines but the resulting flavour profiles can be esoteric and the panel's feeling is that all three of the above varieties are better deployed in blends. Verdelho with its typically driving acidity also seems like it has more to offer when combined with other varieties rather than as a stand-alone wine.

Congratulations to Piekenierskloof Wine Company which had two wines from its 1976 Cinsault vineyard in the Top 10, namely the standard-label 2019 and the reserve Heidedal 2018. In most cases, however, both Cinsault and Grenache Noir seem to make light reds that can be left to chill in an ice-bucket but nothing more.

The three examples of Cabernet Franc to place in the Top 10 (two from Raats and one from Stellenrust) were obviously very good but otherwise what was entered seemed to be a bit hit-and-miss and did not replicate the high quality that this category has shown in recent times. As for both Malbec and Petit Verdot, what was entered tended to be very much overdone and it is difficult to know what kind of target market producers have in mind when making these wines. Again, these two varieties surely have a much bigger role to play in Cape Bordeaux Red Blends.

Perhaps the most important take-out from this year's tasting however is that while the quality peaks were not necessarily exceedingly high, neither were the troughs very low. It has been argued that a more diverse national vineyard is highly unlikely given that planting fringe varieties that are not aligned with consumer demand does not make good business sense especially given an industry that is already under extreme duress. However, for all the economic pressures that pertain to wine production, the national vineyard has always been in a state of flux, plantings of various varieties waxing and waning over time. In particular, the impact of climate change cannot be ignored and the industry is compelled to respond to this challenge – experimentation with less conventional varieties that are more suited to a growing environment with increasing maximum temperatures and declining rainfall has to continue and the quality will surely come in due course.

NICHE WHITE VARIETIES

# NICHE WHITE VARIETIES TOP 10 TASTING NOTES

## Arcangeli Vesta Semillon 2017

R160

Total production: 2 900 bottles Abv: 12.32%

*Approximately 25% skin fermented. Matured in old oak for six months. Amber in colour, the nose shows red apple, orange, dried apricot and a slight waxy note as well as potpourri, dried herbs and spice. The palate is deep and rich with tangy acidity and a finish that is long and savoury.*

## Bellingham The Bernard Series Whole Bunch Grenache Blanc With Viognier 2017

R250

Total production: 6 666 bottles Abv: 14%

*Matured for five months in French oak, 20% new. Includes 10% tank-fermented Viognier. The nose has reductive, somewhat leesy top notes before citrus, green apple and peach. The palate is full bodied and thick textured, with a good line of acidity and a very savoury finish – plenty of power on show.*

## Benguela Cove Catalina Semillon 2018

R650

Total production: 1 500 bottles Abv: 13.6%

*80% fermented and matured for nine months in 500-litre barrels (of which 50% were new) and 20% in tank. Top notes of hay and herbs before pear, white peach and citrus and spice. The palate is relatively lean with punchy acidity and a salty finish. A particular take on the variety.*

## Bosman Fides Grenache Blanc 2018

R240

**Total production: 10 500 bottles and 20 magnums Abv: 13.15%**

*Skin macerated. Matured for six months in older Russian oak. Pale orange in colour, the nose shows attractive floral perfume, ginger and other spice before orange and dried apricot plus a slight oiliness. The palate shows pure fruit and punchy acidity with some tannic grip to the finish – rather striking.*

## Highlands Road Semillon 2018

R220

**Total production: 560 bottles Abv: 14.6%**

*Spontaneously fermented and matured for 19 months in 225-litre barrels, one first- and the other third-fill. An oxidative quality to the nose with notes of cut apple, marmalade, some pleasant nuttiness and bee's wax plus vanilla and oak spice. The palate, meanwhile, is rich and broad with plenty of flavour. Comforting and complex.*

## Old Road Wine Co. Grand-Mère Semillon 2017

R535

**Total production: 2 000 bottles Abv: 13.5%**

*Grapes from a Franschhoek vineyard planted in 1936. 50% inoculated and 50% undergoing spontaneous fermentation. Matured for 12 months, 80% in mostly older oak and 20% in clay amphorae. A waxy note presents first before hints of citrus and peach as well as spice while the palate is rich and thick textured – this has good depth of fruit and nicely coated acidity before a savoury finish.*

## Rickety Bridge The Pilgrimage Semillon 2018

R450

Total production: 1 200 Abv: 12.31%

*Grapes from a Franschhoek vineyard planted in 1905. Spontaneously fermented in foudre and concrete. Matured for 10 months in older oak. A waxy note before citrus, cut apple, peach, dried herbs and spice plus some yeasty complexity. The palate is rich and broad with seemingly quite moderate acidity before a gently savoury finish.*

## Shannon Vineyards Triangle Block Semillon 2017

R250

Total production: 2 381 bottles Abv: 13.63%

*Spontaneously fermented and matured for 11 months in French oak, 30% new. Complex aromatics including citrus, peach and blackcurrant as well as thatch and some nuttiness. The palate is marked by dense fruit and bright acidity – layers of flavour, lovely weight and texture.*

## Shannon Vineyards Triangle Block Semillon 2018

R250

Total production: 2 600 bottles Abv: 13.7%

*Spontaneously fermented and matured for 11 months in French oak, 30% new. Citrus, peach, yellow apple, thatch and a hint of lanolin on the nose. The palate is rich and broad, slightly greasy in texture, the acidity nicely integrated and the finish possessing a saline quality.*

## Vergelegen Reserve Semillon 2018

R325

**Total production: 6 142 bottles Abv: 13.5%**

*Fermented and matured for eighth months in 225-litre barrels, 35% new. Floral perfume, hay and some attractive herbal character before citrus and peach on the nose. The palate has wonderfully pure fruit with bright acidity, while there is some peppery bite to the finish. Precisely made, this has lovely energy and balance.*

NICHE RED VARIETIES

# NICHE RED VARIETIES TOP 10 TASTING NOTES

Beaumont  
Mourvèdre 2017  
R315

Total production: 2 220 bottles and 25 magnums Abv: 13.89%

*30% whole-bunch fermentation. Matured for 24 months in French oak, 12.5% new. Red and black berries, dried herbs, spice and earth on the nose. The palate shows pure fruit, racy acidity and nicely grippy, chewy tannins. Poised and intricate.*

De Krans  
Touriga Nacional 2018  
R115

Total production: 13 000 bottles Abv: 14%

*Matured for 12 months in older oak. A floral top note before black and blue berries, dried herbs, spice and earth. The palate is full but balanced with plenty of sweet, dense fruit offset by fresh acidity and fine tannins, the finish long and savoury.*

Dornier  
Tempranillo Reserve 2016  
R225

Total production: 1 316 bottles Abv: 14.5%

*Matured for 44 months in barrel – 12 months in new and second-fill French oak, 12 months in new and second-fill American and then 20 months in second-fill French. Black berries, a whisky-like malty quality and spice on the nose. The palate is big and bold – sweet on entry, the finish however is very dry.*

Old Road Wine Co.  
Pardonnez Moi Cinsault 2019

R115

Total production: 20 000 bottles Abv: 13.5%

*Tank fermented/no oak maturation. A subtle nose with hints of red cherry, rose and dried herbs while the palate is clean and juicy with bright acidity and fine tannins. Has a pleasing modesty about it.*

Piekenierskloof  
Cinsault 2019

R135

Total production: 3 000 bottles Abv: 14.79%

*From a vineyard planted in 1976. Matured for 12 months, 50% in older 500-litre barrels and 50% in foudre. Aromatics of candyfloss, cherries, plums, fynbos and spice. The palate is juicy and deep with lively acidity and fine tannins, the finish nicely savoury.*

Piekenierskloof  
Heidedal Old Vine Cinsault 2018

R450

Total production: 400 bottles Abv: 13.89%

*A barrel selection from the standard-label production. An alluring nose of red and black fruit, flowers and fynbos plus a little earthiness while the palate is rich and round with a good core of fruit, bright acidity and fine tannins.*

## Raats Dolomite Cabernet Franc 2018

R175

**Total production: 15 067 bottles Abv: 13.5%**

*Matured for 14 months in older French oak. Subtle aromatics of dark berries, violets, fresh herbs, pencil shavings and some earthiness. Good fruit purity, bright acidity and just the right amount of tannic grip. Balanced and savoury.*

## Raats Family Cabernet Franc 2017

R600

**Total production: 9 150 bottles Abv: 14.5%**

*Matured for 18 months in French oak, 25% new. A pretty nose with notes of red and black berries, some floral perfume, a subtle herbal note and some oak spice. The palate is wonderfully poised with dense fruit counterbalanced by fresh acidity and firm but fine tannins. Just so elegant.*

## Stellenrust Barrel Selection Cabernet Franc 2017

R170

**Total production: 1 860 bottles Abv: 14.2%**

*Matured for 18 months in French oak, 27% new. Charming aromatics of red berries, flowers and fresh herbs while the palate is particularly elegant, being light-bodied and fresh, the finish gently savoury.*

## Welgegund Grenache Noir 2019

R375

**Total production: 2 620 bottles   Abv: 13.5%**

*Matured for 14 months, 50% in second-fill 500-litre barrels and 50% unoaked. Red and black berries, a touch of mint and other herbs plus some earthiness. The palate is medium bodied with fresh acidity and chalky tannins, the finish particularly dry but not astringent.*
