CHENIN BLANC
REPORT 2026

WINEMAG.CO.ZA

LE SUEUR

ABOUT THE WINEMAG.CO.ZA TASTING PROGRAMME 2026

Winemag.co.za will release a series of category reports throughout the year with Prescient Fund Services as sponsor. Each report is based on the outcome of a blind tasting of wines entered within a specific category.

A report includes key findings, tasting notes for the top wines, buyer's guide (wines ranked by quality relative to price) and scores on the 100-point quality scale for all wines entered. Upon publication, producers can purchase both Top 10 and regular rating stickers – consumers are encouraged to look out for these in the retail environment.

The tasting programme is further supported by partners Aspiring Couriers, Getwine and Winterhalter.

JUDGING PROCEDURES

The judging panel was chaired by me and further consisted of two trusted colleagues, wine writer Malu Lambert, and Alexandra McFarlane of McFarlane Wines.

Ratings were done according to the 100-point system, with final scores determined through discussion and retasting when necessary, rather than relying solely on arithmetic averages.

Christian Eedes
Editor, Winemag.co.za

KEY FINDINGS

For this year's Chenin Blanc Report, sponsored by financial services company Prescient Fund Services, 50 wines from 38 producers were entered. Of these, 32 wines (64%) scored 90 or higher on the 100-point quality scale.

Stylistics

The Top 10 shows a clear consolidation around precision over power, with winemaking favouring texture, line (drive from entry to finish) and site expression rather than overt oak imprint. Old vine fruit dominates, increasingly handled through a mix of large-format oak, concrete egg, amphora and stainless steel, with new oak used sparingly for framing rather than flavour. Foudre and other neutral vessels are prevalent, supporting clarity and pithy, savoury finishes. Despite often ripe aromatics, alcohols sit broadly moderate, with acidity consistently well judged. Stylistically, there is a shift toward layered restraint: density without weight, and complexity delivered through fermentation and vessel diversity.

Structural insights

Several structural and economic signals emerge from the 2026 Chenin Blanc score set, relating to both quality distribution and the category's evolving position within South African fine wine:

1. Quality compression at the top end

The spread is tight: many wines cluster in the 90–93 range, with only a few reaching 94. This points to a maturing category where consistency is widespread and differentiation increasingly rests on site and philosophy rather than sheer winemaking execution.

2. Old vine material as primary value anchor

The highest scores are disproportionately linked to old vine or explicitly heritage-designated sites. "Old vine" is no longer a marketing adjunct but a core pricing and scoring driver – an informal grand cru logic taking shape.

3. Terroir diversification remains significant

Chenin has long been widely planted across the Cape, but diversification beyond Stellenbosch could be seen to be accelerating. While Stellenbosch remains numerically dominant, the top tier is increasingly dispersed, with Klein Karoo, Paarl, Piekenierskloof and Wellington all featuring in the Top 10.

4. Scale is no longer a clear disadvantage

Large-volume wines (e.g. Cavalli, Flagstone, Donkiesbaai) compete comfortably at 92–93 points, though small-production wines still dominate the 94 peak. Technical excellence has been commoditised; exceptional site expression remains scarce and rewarded.

5. Stylistic convergence around a “Cape Chenin” idiom

There is clear convergence: moderate alcohols, pithy or savoury finishes, restrained oak, and an emphasis on tension over opulence. The debate is no longer what Chenin should be, but where the best fruit is sourced.

6. Price decoupled from quality

High scores span a wide price range, from entry-level to premium single-site wines. Chenin remains one of the few categories where meaningful value arbitrage persists.

Bottom line

South African Chenin Blanc is shifting from a category defined by winemaking variation to one defined by site hierarchy. The industry is highly efficient at producing good wine, but still inefficient at allocating value to its best vineyards.

Cape White Blends

Also included in the tasting was a selection of Cape White Blends, eligible only if Chenin Blanc made up more than 15% but less than 85% of the final wine. Of the 18 entries, 12 scored 90 or higher. The best wines show no fixed formula: different varieties, same result – balance and precision. Impressively, even at good volumes and accessible prices, producers achieve complexity, using blending to enhance quality, not hide flaws.

Winner benefits

Le Sueur, producer of the Best Chenin Blanc, and Cavalli, producer of the Best Cape White Blend, each win shipping services to the value of R10,000 from Aspiring Couriers, as well as a set of Spiegelau glasses worth R2,400, courtesy of warewashing specialist Winterhalter.

TOP 10 TASTING NOTES

Le Sueur | Best Overall Kluisenaar 2025

Price: R219

Total Production: 1,080 bottles Abv 13.78%

From an old Meiringspoort vineyard, the mountain pass between Beaufort West and Oudtshoorn. Matured for 10 months in a 2,000-litre foudre. Flowers, herbs, citrus, peach and some bee's wax on the nose. Impressive fruit density matched by fresh acidity, the finish long and pithy.

Kleinbegin 2025 (Arbeidsgenot)

Price: R275

Total Production: 1,600 bottles Abv 14.5%

Matured for 10 months in 500-litre barrels. Exotic aromatics of stone fruit, orange, potpourri, ginger and baking spice. Great fruit density and punchy acidity before a lightly grippy finish. Complex, layered and long, an arresting wine.

Cavalli Reserve Chenin Blanc 2025

Price: R229

Total Production: 26,500 bottles Abv 13.26%

Matured for 8.5 months in a combination of 225-, 300- and 500-litre barrels, 10% new. Compelling aromatics of floral perfume, herbs, citrus, peach, vanilla and a little flinty reduction. The palate shows excellent clarity and drive, finishing long and pithy.

Donkiesbaai Steen 2025

Price: R389

Total Production: 39 500 bottles and 515 magnums Abv 13.37%

From Piekenierskloof vineyards planted in 1986 and 1988. 70% is fermented and matured in 500-litre barrels, partially new, and 30% in concrete eggs. Complex and enticing aromatics of citrus, peach, flowers, herbs and a hint of reduction. The palate is energetic with excellent fruit purity and bright acidity before a pithy finish. Elegant and detailed.

Ernie Els Proprietor's Old Vine 2025

Price: R350

Total Production: 1,990 bottles Abv 13.5%

From two blocks planted in 1988 at the foot of the Helderberg on granite. Fermented and matured for nine months in oak barrel, a ceramic oblong called a Clayver and amphorae. Flowers, herbs, pear, peach and citrus on the nose while the palate has clarity, poise and energy – pure fruit and fresh acidity before a savoury finish.

Knorhoek 2025

Price: R220

Total Production: 18,500 bottles Abv 13.3%

Fermented and matured for 10 months in a combination of foudre, concrete egg, stainless steel and barrels. Top notes of hay and herbs before citrus, peach, some leesy complexity and a hint of vanilla. The palate is forceful yet balanced – broad and textured with moderate acidity and a gently savoury finish.

Le Sueur 2025

Price: R150

Total Production: 1,700 bottles Abv 13.81%

60% of the grapes from Meiringspoort, fermented and matured for 10 months in foudre, 40% from the Outeniqua Mountains, vinified in stainless steel tank. The nose displays a herbal top note before citrus, peach and a hint of leesy complexity. The palate has nice weight and texture, tangy acidity lending verve, the finish savoury.

Welbedacht Skoolblok Steen 2025

Price: R165

Total Production: 3,015 bottles Abv 12.88%

From a block planted in 1979. Fermented and matured for six months in stainless steel. Citrus, peach and some leesy complexity on the nose while the palate is forceful – dense fruit and punchy acidity before a savoury finish.

Flagstone Tributary 2025

Price: R160

Total Production: 3,900 bottles Abv 13.5%

55% of grapes from Agter-Paarl, 45% from Wellington. 75% vinified in stainless steel tank, 25% fermented and matured for four months in barrel, 10% new. Attractive aromatics of herbs, flowers, guava, citrus, peach and a little flinty reduction. The palate is tightly wound – clean fruit and racy acidity before a dry finish.

Joostenberg Die Agteros 2025

Price: R239

Total Production: 6,162 bottles Abv 12.7%

From a block planted in 1989. Fermented and matured for eight months in a combination of older oak, concrete eggs and amphorae. Pretty aromatics of pear, peach, jasmine, herbs and spice while the palate is linear with pure fruit and fresh acidity, the finish long and dry.

HONOURABLE MENTIONS

Because final ratings are determined by averaging the scores of three judges, decimal places come into play. As a result, the following wine fell just short of the Top 10 on 92 points:

Dornier Moordenaarskloof 2023 | Price: R315

Nederburg Heritage Heroes

The Anchor Man Old Vine 2024 | Price: R225

Perdeberg The Dry Land Collection

Courageous Barrel-Fermented 2025 | Price: R199

Zevenwacht Z Collection 2025 | Price: R330

REPORT 2026

WINEMAG.CO.ZA

TOP SIX TASTING NOTES

Cavalli | Best Overall Reserve White 2025

Price: R309

Total Production: 6,500 bottles Abv 13.24%

60% Chenin Blanc, 30% Verdelho, 10% Chardonnay. Matured for 10 months in barrel, 30% new. Sophisticated aromatics of earth, pear and peach, with hints of herbs and spice. The palate is pure and poised yet finely detailed, revealing layers of flavour before a long, dry finish.

Coterie by Wildeberg Chenin Blanc & Grenache Blanc 2025

Price: R225

Total Production: 7,848 bottles Abv 13%

78% Chenin Blanc, 32% Grenache Blanc. Spontaneously fermented and matured for nine months in 500- and 600-litre Austrian and French oak barrels. Intricate aromatics of citrus, stone fruit, flowers, herbs and some flinty reduction. Good fruit concentration and big acidity before a lightly grippy finish – flavours narrowing down precisely.

JAN 2025 (Zevenwacht)

Price: R199

Total Production: 26,500 bottles Abv 13.26%

Matured for 8.5 months in a combination of 225-, 300- and 500-litre barrels, 10% new. Compelling aromatics of floral perfume, herbs, citrus, peach, vanilla and a little flinty reduction. The palate shows excellent clarity and drive, finishing long and pithy.

Bosman Adama 2025

Price: R229

Total Production: 5,500 bottles and 515 magnums Abv 12.56%

57.09% Chenin Blanc, 18.99% Viura, 17.12% Vermentino, 6.06% Grenache Blanc, 0.14% Viognier. Components vinified separately – matured for four months in barrel before being blended. Complex aromatics of flowers, herbs, pear and peach, a lightly oxidative, cut apple note and spice. Medium-bodied, with moderate acidity and a gently savoury finish. Subtle and nuanced.

De Wet Vintage Mashup Sauvignon Blanc Chenin Blanc Semillon 2025

Price: R105

Total Production: 4,042 bottles Abv 12.73%

41% Sauvignon Blanc, 40% Chenin Blanc, 19% Semillon. Fermented and matured for six months in older barrels. Hay, spearmint and other herbs, flowers, citrus and peach on the nose. Pure fruit and racy acidity before a dry finish.

Perdeberg The Dry Land Collection Rossouw's Heritage 2025

Price: R209

Total Production: 6,750 bottles Abv 14.24%

67% Chenin Blanc, 18% Grenache Blanc, 15% Viognier. 40% of the wine matured for 10 months in second-fill 500-litre barrels. Herbal top notes give way to citrus, green apple, peach and melon. The palate has satisfying weight yet retains bright acidity. Flavourful and well-composed, it certainly merits attention.
